April 2011

www.CapeCodDiningGuide.com

Check it out!

With more than five full years of exposure behind us, CapeCodDiningGuide.com continues to exhibit a leading presence on both the Google and Yahoo Search engines.

In addition, many participating advertisers receive first page search engine rankings for their businesses as a direct result of being listed on CapeCodDiningGuide.com. We fully expect that this targeted exposure will continue to grow in 2011, and in the years ahead.

The screenshot shows the website's search interface. At the top, it says "Dining on Cape Cod" with a navigation menu including "Search Restaurants", "Browse Restaurants", "Weddings & Functions", "Gourmet Marketplace", "Events Calendar", and "Info/Advertising". Below this is a banner for "the Premier Guide to Cape Cod Restaurants" with a brief description of the local food scene. The main search area is divided into three steps: 1. Select a Cape Area (with a map of Cape Cod and checkboxes for Upper-Cape, Mid-Cape, and Outer/Lower-Cape), 2. Select Cuisine (with a list of cuisines like Seafood, Steak, American, Italian, etc.), and 3. Select Meal & Search (with checkboxes for Breakfast, Lunch, Dinner, and Sunday Brunch). There is a "SEARCH" button and a section for "Additional Search Options" with checkboxes for features like Waterfront Dining, Outdoor Dining, Reservations Accepted, etc. On the left sidebar, there are links for "Dining Search", "Restaurants A-Z", "Gourmet Marketplace", "Functions & Weddings", "Events Calendar", "Lodging Partners", "Shopping Gallery", and "Special Offers & Coupons". A "Newsletter Sign-Up" form is also present. On the right sidebar, there are advertisements for "The Lobster Claw Restaurant", "Cape Cod's PREMIER Whale Watch!", and "A True Sense of Olde Cape Cod SOUTH FARMOUTH".

Some Comments About *Dining on Cape Cod*

“It is with pleasure that the *Cape and Islands Concierge Association* endorse *Dining on Cape Cod*. It is an excellent publication. Information is current and the guide is well-designed. The members of the *Cape and Islands Concierge Association* meet once a month and at every meeting there are favorable comments about *Dining on Cape Cod*. It is a very useful tool for the concierge and front desk staffs at properties around the Cape, as well as a great reference for all members, visitors and residents.

“Thank you for your prompt attention in delivering more copies of *Dining on Cape Cod*. . . We have found them to be extremely popular with our guests and have had to restock them nearly every day on our brochure rack! Besides our individual guests, we distribute them in welcome packets for our wedding and reunion guests as well as for group tours and meeting planners. Our concierge has also been very pleased with them, particularly when guests are looking for dining options in more than one area of the Cape.”

*Dorie D. Ketterer, Innkeeper

“*Dining on Cape Cod* is a fine, comprehensive publication and is extremely helpful to our guests.”

*Debbie Christensen, Chief Concierge

“... the *Dining on Cape Cod* has given our guests valuable information regarding their choices for great Cape Cod meals. The choices are many and varied and reflect the eclectic mix that is Cape Cod dining. With sample menus, my job as innkeeper/maven of eateries is made simple. So far our guests have done nothing but rave about the guide when they arrive at breakfast with tales of the night before.”

*Peter Bach, Innkeeper
Joy House, Inc., B and B*

“Let me take this opportunity to thank you for recommending *Dining on Cape Cod* be distributed through the Resort this year.
